FOR IMMEDIATE RELEASE

TITLE: Crystal Lake Montessori School Begins 29th Year

Not many people can say that, nearly three decades into a job, they still greet the day with joyful anticipation. Woodstock resident, Penny HildeBrandt Cichcuki, Founder and Co-Director of Crystal Lake Montessori School, is one of the few who can.

“Even after 29 years, I still love the beginning of the school year, greeting the teachers, the students, the parents, seeing how much children have grown over the summer, and welcoming new families to our school community.”

Since opening its doors in 1981, the school has grown to serve nearly 300 students at its setting on Country Club Road between Woodstock and Crystal Lake. CLMS is one of very few Montessori schools in the United States that is fully accredited by the American Montessori Society to offer programs for children from birth through 14 years of age.
